Accounts and login

Q: I forgot my password. How do I reset it?

A: Click Forgot Password on the login screen. We email you a reset link that is valid for 24 hours. If it expires, request a new one. We strongly recommend enabling two-factor authentication in Account Settings for extra security.

Refunds

Q: Can I get a refund for a game I bought?

A: Yes. Refunds are granted within 14 days of purchase as long as the game has been played for less than 2 hours in total. Request a refund from your order history page; approved refunds return to the original payment method within 5 business days.
